I. Call to Order

The meeting was called to order at 3:02 pm.

II. Welcome/Introductions

CQM Support Staff welcomed all attendees, made a statement of the meeting's goal, and made individual introductions. They updated the contact list with the Network for the new fiscal year.

III. AETC Training: "HIV 2023 Oral Health and HIV The Why and How of Access, Adherence, and Retention" by Dr. Mark Schweizer

Dr. Mark Schweizer provided the training for the Oral Health Network. He shared the current demographic data for patients living with HIV globally and within the United States. There was a discussion around the barriers to oral health care at different

levels and common oral health diseases among those living with HIV, such as oropharyngeal candidiasis (OPC) and oral hairy leukoplakia. Dr. Schweizer recommended that providers incorporate oral health into primary care treatment, address barriers to care, and facilitate oral health care access to improve patient engagement and retention.

IV. Announcements

There were no announcements.
